MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT : Nomination for the 1968 President's Award for
Distinguished Federal Service

1. This memorandum is for your information only.
2. The Civil Service Commission has returned the original and two of the copies of the Agency's papers nominating Mr. Lundahl for the President's Award for Distinguished Federal Service. The Director of the Commission's Office of Incentive Systems, when queried on the point, stated that these papers, apparently among others, were returned by the new administration as part of their action disposing of the "effects" of the now defunct Distinguished Service Awards Board (the members of which were Messrs. Cohen, Wirtz, Katzenbach, Hornig, and Nitze). The Board apparently made no selections last year other than Mr. James Rowley.
3. It is not known whether the Award will be continued, but it is assumed that, if so, another Board will be appointed and invitations for nominations will be sent. Determination will have to be made at that time on the resubmission of Mr. Lundahl's name.
